Jane Smith

Senior Data Scientist

jane.smith@email.com | (555) 987-6543

PROFESSIONAL SUMMARY

Data scientist with 7+ years analyzing complex datasets and building ML models. Expert in Python, R, SQL, and machine learning frameworks.

EXPERIENCE

Lead Data Scientist | DataCorp | 2021 - Present

- Built ML models increasing revenue by $2M annually
- Managed team of 4 data scientists
- Improved model accuracy from 75% to 92%

Data Scientist | TechStart | 2018 - 2021

- Developed predictive models for customer churn
- Reduced churn by 25% using ensemble methods
- Created data pipelines processing 1M+ records daily

SKILLS

Python, R, SQL, TensorFlow, PyTorch, Scikit-learn, Pandas
Machine Learning, Deep Learning, NLP, Computer Vision
AWS, Docker, Git, Tableau, A/B Testing

EDUCATION

MS in Data Science | Stanford University | 2018
BS in Mathematics | UC Berkeley | 2016
